

AWARD CONDITIONS

Project No.: _____ Institution: _____

Fund: _____ Project Leader: _____

ALL AWARDS

- The contributions of eligible partners have been secured as indicated in the Summary of Secured Contributions.
- The financial resources for operations are secured.
- The Itemized List submitted by the institution includes only eligible costs.
- Eligible costs in the Itemized List approximate the fair market value and reflect the expected purchase price. A formal competitive bidding process, as per the institution's usual tendering and purchasing policies and procedures, will take place prior to the purchase of each item.
- In-kind contributions have been valued in accordance with section 6.5 of the CFI Policy and Program Guide.
- Where applicable, project revisions are understood and accepted and necessary funding adjustments have been made in accordance with CFI Committee comments.
- Where applicable, when other eligible recipients are involved, an inter-institutional agreement is in place and a copy has been sent to CFI.
- Where applicable, for projects involving construction/major renovations, the building phase will start within 18 months of the date of the decision announcement.
- Where applicable, specific conditions have been met.

NEW OPPORTUNITIES, CANADA RESEARCH CHAIRS, CAREER AWARDS, and LEADERS OPPORTUNITY FUND ONLY

- All items that have been purchased or received to date were acquired:
 - 1) specifically for the new researcher, the Chair, or Career Award recipient AND
 - 2) (i) no more than six months prior to:
 - the date the new researcher takes or took up the position (New Opportunities);
 - the researcher becomes or became Chair (Canada Research Chairs), or
 - the submission of the application (Leaders Opportunity Fund).or
 - (ii) after the date of the Michael Smith Prize or the Steacie Fellowship (Career Awards).

On behalf of the institution, I confirm that all the above items have been read, understood and complied with.

President or designate
