Total eligible costs	\$0	\$0	\$0	\$0	\$0	\$0	\$0

Changes

Indicate if there are any of the following **actual** or **forecasted** changes to the project that have **not** been previously approved by the CFI.

- | | |
|---|----------|
| 1. Changes in the infrastructure (including constructed or renovated space) that have a negative impact on the project and its research objectives. | No / yes |
| 2. The purchase of a new item (including increases in the quantity of an item) for which the cost exceeds \$50,000. | No / yes |
| 3. The actual end date of the project will exceed the anticipated end date indicated in the award agreement by more than six months, or, if the end date has already been extended, the actual end date of the project will exceed the extended end date. | No / yes |

If you have answered yes to any of the above questions, please submit a change request through the Amendment module as soon as possible, as prior approval is required.

Additional comments (if any)
