New Brunswick

The Canada Foundation for Innovation (CFI) Board of Directors approved a contribution of \$1,028,935 to support 7 infrastructure project in the province.

Project Title	Maximum CFI Contribution
---------------	--------------------------

Mount Allison University

Centre for Organometallic Materials for Engineered Technologies (COMET)	\$140,000
Surgical and Metabolic Phenotyping Centre	\$199,466
2 projects	\$339,466

Université de Moncton

Advancing Mechanical Intelligence with a New Generation of Lightweight and Flexible Robots	\$110,490
PIKfyve Inhibition to Target Renal Cell Carcinoma and Activate Antitumor Immune Response	\$181,953
2 projects	\$292,443

University of New Brunswick

From Source to Sink: Tracking and Characterization of Microplastics Across Multimedia Environments	\$150,000
Equipment for Extracting Energy from and Upcycling of Waste Aluminum	\$150,000
Machine Learning Health Vault	\$97,026
3 projects	\$397,026

NOTE:

As part of this announcement, an additional \$308,681 was awarded under the Infrastructure Operating Fund (IOF), a mechanism that assists institutions with the incremental operating and maintenance costs associated with the new infrastructure.
