

## Vice-President, Finance and Corporate Services

### Canada Foundation for Innovation

Location: Ottawa, Ontario

The Canada Foundation for Innovation (CFI) was built on the ideals of thinking big and investing in areas that matter to Canadians. Since its creation, the CFI has ensured Canadian researchers have the tools — the cutting-edge labs, facilities and equipment — they need to push the frontiers of knowledge in all disciplines, and to contribute to the full spectrum of research — from discovery to technology development. This has allowed our brightest minds to contribute to better health outcomes, a cleaner, greener environment, evidence-based policy-making and the competitiveness of Canadian businesses.

Reporting directly to the President and CEO, and working closely with the senior executive team, the Vice-President, Finance and Corporate Services, plays a key leadership role across the organization. The Vice-President provides oversight and sound counsel in the areas of finance, administration, human resources and information services, and is also an Officer of the CFI Board of Directors, serving as Secretary and Treasurer.

As the ideal candidate, you are a chartered professional accountant who has built strong business acumen through progressively senior leadership roles. With senior financial management and strategic planning experience, you have a record of success working with diverse stakeholders and leading change initiatives. You are an exceptional communicator in both official languages, and have honed your abilities to motivate and inspire high-performing multidisciplinary teams. Regarded for your client-centric approach, along with your ability to be agile, forward-thinking and innovative, you have ensured organizations remain accountable and deliver on their mandate.

To apply for this position, please submit your application and related materials to Marie-Hélène Gaudreault at [mgaudreault@boyden.com](mailto:mgaudreault@boyden.com) and **state the title of the position in the subject line of your e-mail.**

*The Canada Foundation for Innovation supports official language and employment equity principles, and respects Ontario's Accessibility Standard for Customer Service policy.*

*We thank all applicants for their interest, however only those under consideration for the role will be contacted.*
