

**Regional Backgrounder / Fiche d'information par région
New Opportunities Fund / Fonds de relève**

Province : Nova Scotia / Nouvelle-Écosse

The following 9 projects, totalling \$1,174,736 , were approved in the province of Nova Scotia. / Les 9 projets suivants totalisant 1 174 736 \$ ont été approuvés dans la province de la Nouvelle-Écosse.

Project Title / Titre du projet	Maximum CFI Contribution / Contribution maximale de la FCI
---------------------------------	---

Dalhousie University

A Centre for Integrated Eukaryotic Microbiology	\$244,835
An Advanced Geo-Environmental Engineering Laboratory for Petroleum Waste Management Technologies	\$254,855
Innovative Strategies in Pediatric Cardiac Surgery: A research program investigating novel surgical approaches and management strategies for children with heart defects	\$58,642
Laboratory for Microbial Genome Analysis	\$124,808
Resistance of cancer cells to apoptosis as a therapeutic target	\$124,359
Superconducting quantum interference device (SQUID) magnetometer & spintronic materials growth facility	\$196,555
6 projects / projets	\$1,004,054

Saint Mary's University

Computer infrastructure for the Saint Mary's University matching faculty of the Institute for Computational Astrophysics	\$26,530
Ultrastructural and pathological studies of beneficial insects and other arthropods	\$100,866
2 projects / projets	\$127,396

St. Francis Xavier University

Completion of River Research Laboratory	\$43,286
1 project / projet	\$43,286
