

## Innovation Fund / Fonds d'innovation Backgrounder / Fiche d'information

### Alberta

The Canada Foundation for Innovation (CFI) Board of Directors approved a contribution of \$43,955,226 to support 10 infrastructure projects. / Le conseil d'administration de la Fondation canadienne pour l'innovation (FCI) a approuvé des contributions totalisant 43 955 226 \$ en vue d'appuyer 10 projets d'infrastructure.

| Project Title / Titre du projet | Maximum CFI Contribution / Contribution maximale de la FCI | Distributed Infrastructure* / Infrastructure distribuée* |
|---------------------------------|------------------------------------------------------------|----------------------------------------------------------|
|---------------------------------|------------------------------------------------------------|----------------------------------------------------------|

### University of Alberta

|                                                                                              |                     |  |
|----------------------------------------------------------------------------------------------|---------------------|--|
| Center of Excellence for Gastrointestinal Inflammation and Immunity Research (CEGIIR)***     | \$8,203,524         |  |
| Cardiovascular Translational Research Centre***                                              | \$5,687,178         |  |
| Integrated Nanosystems Research Facility                                                     | \$5,890,431         |  |
| Oil Sands and Coal Interfacial Engineering Facility                                          | \$2,331,511         |  |
| Agricultural Genomics and Proteomics Centre                                                  | \$1,249,143         |  |
| Remote Field Facility to Support Ecosystem Management Emulating Natural Disturbances (EMEND) | \$223,740           |  |
| Project to Restore Movement***                                                               | \$1,765,600         |  |
| <b>7 projects / projets</b>                                                                  | <b>\$25,351,127</b> |  |

### University of Calgary (The)

|                                                                                   |                     |                                 |
|-----------------------------------------------------------------------------------|---------------------|---------------------------------|
| Institute for Inflammatory Diseases: A Common Focus for the Improvement of Health | \$7,171,678         | <i>University of Lethbridge</i> |
| Project NeuroArm: MR Compatible Image Guided Robot for Microsurgery***            | \$10,499,339        |                                 |
| <b>2 projects / projets</b>                                                       | <b>\$17,671,017</b> |                                 |

### University of Lethbridge (The)

|                                                          |                  |  |
|----------------------------------------------------------|------------------|--|
| Brain, Behaviour, and Cognitive Science Imaging Facility | \$933,082        |  |
| <b>1 project / projet</b>                                | <b>\$933,082</b> |  |

**\*Distributed Infrastructure** – Infrastructure that is located at various sites as opposed to infrastructure located at one site but serving many institutions.

**\*Infrastructure distribuée** – Infrastructure située à plusieurs endroits par opposition à une infrastructure située à un seul endroit mais desservant plus d'un établissement.

**\*\*\*Projects Invited to Submit a Full Proposal Under the CFI's Research Hospital Fund (RHF).**

**\*\*\*Projets invite à soumettre une demande complète au Fonds des hôpitaux de recherche (FHR).**
