

Innovation Fund / Fonds d'innovation Backgrounder / Fiche d'information

Canada National Projects / Projets nationaux

The Canada Foundation for Innovation (CFI) Board of Directors approved a contribution of \$35,684,034 to support 9 infrastructure projects. / Le conseil d'administration de la Fondation canadienne pour l'innovation (FCI) a approuvé des contributions totalisant 35 684 034 \$ en vue d'appuyer 9 projets d'infrastructure.

Project Title / Titre du projet	Maximum CFI Contribution / Contribution maximale de la FCI	Administrative Centre** / Centre administratif**
VESPERs (VERY Sensitive Elemental and Structural Probe Employing Radiation from a Synchrotron) at the Canadian Light Source	\$1,801,639	University of Western Ontario
A National Ultrahigh-Resolution Electron Microscopy Facility for Nanoscale Materials Research	\$7,083,799	McMaster University
Soft X-ray Beamline for Microcharacterization of Materials at the Canadian Light Source	\$1,681,324	University of Western Ontario
National Neutron Reflectometer Facility	\$985,782	University of Western Ontario
National Core Facility to Monitor Immune Responses in Humans to Vaccines Against Infectious Diseases and Cancer***	\$5,292,839	Université de Montréal
Canadian Molecular Cytogenetics Platform	\$4,512,925	University of British Columbia
Resonant Elastic and Inelastic Soft X-ray Scattering Beamline at the Canadian Light Source	\$3,334,065	University of British Columbia
High Throughput Macromolecular Crystallography Beamline at the Canadian Light Source	\$4,174,285	University of British Columbia
The BioMedical Imaging and Therapy (BMIT) Beamline at the Canadian Light Source	\$6,817,376	University of Saskatchewan
9 projects / projets	\$35,684,034	

****Administrative Centre** – The institution that is responsible for the administration of the funds.

****Centre administratif** – L'établissement responsable de l'administration des fonds.

*****Projects Invited to Submit a Full Proposal Under the CFI's Research Hospital Fund (RHF).**

*****Projets invite à soumettre une demande complète au Fonds des hôpitaux de recherche (FHR).**
